34. Comments on SDG	The Berlin Declaration is most clearly linked to SDG 4.7
linkages	(Education for Sustainable Development), 12.8 (information
, and the second	for lifestyles in harmony with nature) and 13.3 (climate

change education and awareness). It highlights the importance of training of staff (SDG 4.4 and 4.C), providing effective and inclusive learning environments (SDG 4.A, 11.7), removing barriers to inclusive education (SDGs 4.5, 5.1, 10.2), and adopting effective policies (SDGs 5.C, 10.3, 10.4, 16.6, 16.B, 17.14). Effective global and multisector partnerships support SDGs 17.16 and 17.17 respectively.

35. SDGs and SDG targets the resource helps advance

SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship

Number of young people and adults in skills-development activities and programmes drawing on collections, for employment, decent jobs and entrepreneurship

Increase in number of young people and adults in such programmes

Number and proportion of staff who have received training in the last year, to better support their contribution to the SDGs.

Programs and processes in place to ensure the availability of a skilled workforce.

SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.5 By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations

Number of educational and/or training programmes drawing on collections directed to meet the particular needs of persons with disabilities.

Number of educational and/or training programmes drawing on collections directed to meet the particular needs of Indigenous peoples' groups.

Number of educational and/or training programmes drawing on collections directed to meet the particular needs of children in vulnerable situations.

SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.7 By 2030, ensure that all

Numbers of people in each type of programme drawing on collections from different demographic groups.

Increases in numbers of people in each type of programme from different demographic groups.

learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and nonviolence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development

Proportion of people involved in such programmes in relation to overall audience size.

Evidence that learners have acquired knowledge and skills to promote sustainable development.

SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.A Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, non-violent, inclusive and effective learning environments for all

Number and proportion of education facilities that are child, disability and gender sensitive.

Proportion of education facilities that provide safe, non-violent, inclusive and effective learning environments for all

Number and type of initiatives to improve effectiveness of learning environments.

Support given to other education facilities to make them more inclusive and effective.

SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.C By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States.

Number of trainee teachers supported each year by collections-based institutions, especially those from, or who intend to work in, developing countries.
