12. If this is part of an initiative, what is the initiative?		"The roadmap is part of the Toolbox [see] for Localizing the SDGs, which aims to support local and regional governments and other local stakeholders in implementing the 2030 Agenda at local level. The toolbox provides concrete tools, and practices to: I. Raise awareness and advocate for the active role of local actors in the localization of the SDGs II. Support them to make decisions that contribute towards the achievement of the SDGs. The toolbox is currently being drawn up by the Global Taskforce, UNDP and UN Habitat."			
COLLECTIONS AND COLLECTIONS-BASED INSTITUTIONS

SDGs AND SDG TARGETS AN	D LINKAGES
34. Comments on SDG	The resource is most clearly linked to SDG 12.6
linkages	(implementing sustainable practices and reporting),
	participatory processes for sustainable development (SDGs
	10.2, 11.3 and 16.7), 16.6 (effective, accountable and
	transparent institutions), 16.B (policies for sustainable
	development), 17.14 (policy coherence for sustainable
	development), 17.16 and 17.17 (international partnerships
	and cross-sector partnerships respectively). Effective
	implementation will affect all activities in collections-based
	institutions.
35. SDGs and SDG targets	s the resource helps advance
SDG 10. Reduce inequality	
within and between	Collections development to ensure that collections
countries	effectively meet the needs of all, irrespective of age, sex,
10.2 By 2030, empower and	disability, race, ethnicity, origin, religion or economic or
promote the social,	other status.
economic and political	
inclusion of all, irrespective	Numbers and proportions of people making use of
of age, sex, disability, race,	collections in relation to the demographic of the local
ethnicity, origin, religion or	population.
economic or other status	
ceonomic of other status	Numbers and proportions of people involved in focused
	programmes aimed at promoting social, economic and
	political inclusion.
	Numbers and proportions of people from different
	demographic groups involved in decision-making processes
	relating to collections and collections-based institutions.
	ירומנוווא נס נטוובננוטווא מווע נטוובננוטווא-שמצפע ווואנונענוטווא.
	Number and types of partnerships that build relationships
	with marginalized groups, individuals and communities.
	with marginalized groups, mulviduals and communities.
SDG 11. Make cities and	
human settlements	11.3.2 Proportion of cities with a direct participation
inclusive, safe, resilient and	structure of civil society in urban planning and
sustainable	
	management that operate regularly and democratically
11.3 By 2030, enhance	Diana in place for collections based institutions to facilitate
inclusive and sustainable	Plans in place for collections-based institutions to facilitate
urbanization and capacity	the incorporation of communities' views into local planning
for participatory, integrated	and town management processes in a regular way.

and sustainable human settlement planning and management in all countries	Plans in place for collections-based institutions to facilitate the incorporation of minorities' views into local planning and town management processes in a regular way.
SDG 12 Ensure sustainable consumption and production patterns 12.6 Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle	Clear visions, strategies and plans in place for all aspects of sustainability – environmental, social and economic (people, planet, prosperity)- across all areas of activity. Visions, strategies and plans relating to sustainability to be publicly available and incorporated into planning documents. Commitments to be in line with local, regional, national and/or international targets and ambitions. Incorporation of sustainability into reporting for funders and other stakeholders, including the public. Reporting to
	and other stakeholders, including the public. Reporting to include commitments and progress towards targets.
SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels. 16.6 Develop effective, accountable and transparent institutions at all levels	 16.6.2 Proportion of the population [audience/users/non-users] satisfied with their last experience of public services Access to information, and accountability policies and mechanisms, in place. Effective institutional arrangements, both for own working and for working in partnership with other sectors, in place. Plans and arrangements in place for extraordinary circumstances such as natural and human-caused disasters. Effective arrangements in place to fulfil legal and social obligations and responsibilities. Effective arrangements in place for transparent communication and reporting of institutional performance. Effective arrangements in place for transparent decision-making and accountability.
SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective,	16.7.1 Proportions of positions (by sex, age, persons with disabilities and population groups) in public institutions (national and local legislatures, public service, and judiciary) compared to national distributions

accountable and inclusive institutions at all levels. 16.7 Ensure responsive, inclusive, participatory and representative decision- making at all levels	 16.7.2 Proportion of population [audience/users/non-users] who believe decision-making is inclusive and responsive, by sex, age, disability and population group Decision-making addresses societal, environmental and economic challenges related to the community, considering short-term and long-term risks and opportunities. Decision-making draws on diverse backgrounds, viewpoints and interests, reflecting a broad base of stakeholders, and working to promote inclusion and provide effective services for all of society.
SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels. 16.B Promote and enforce non-discriminatory laws and policies for sustainable development	 16.B.1 Proportion of population [audience/users/non-users] reporting having personally felt discriminated against or harassed in the previous 12 months on the basis of a ground of discrimination prohibited under international human rights law Number and proportion of policies that incorporate sustainable development considerations, in the full sense of recognizing all three of social, economic and environmental considerations.
SDG 17. Partnerships for the goals 17.14 Enhance policy coherence for sustainable development	Proportion of policies that incorporate sustainable development considerations, linking to SDGs and targets. Incorporation of policy considerations from outside the collections sector into policies of collections-based institutions, to facilitate partnerships and effectiveness.
SDG 17. Partnerships for the goals 17.16 Enhance the global partnership for sustainable development, complemented by multi- stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in	Number and/or increase in number, and diversity of global and international multi-stakeholder partnerships that share collection-related knowledge, expertise, technology and financial resources to address the SDGs, or that otherwise involve collections-based organisations and institutions. Number and/or increase in number, and diversity of global and international multi-stakeholder partnerships involving developing countries that share collection-related knowledge, expertise, technology and financial resources to address the SDGs
