AIMS AND CONTENT	
20. What issues does the resource aim to address?	<p>“The Age-Friendly Standards self-assessment checklist is designed to help you assess and monitor your organisation’s progress against the Age-Friendly Standards. It also provides an opportunity to think about how you can further improve on what you offer in terms of what is achievable within your own organisational context. Whilst it may not be possible to fulfil each of the recommendations, your provision should be clearly communicated including:</p> <ul style="list-style-type: none"> • Any limitations which could cause difficulties for older people accessing the facilities • What you are doing to make improvements” (p.4)
21. Intended audience of resource	Museum sector
22. Process of development	<p>“Museum Development North West (MDNW), with permission from the Family Arts Campaign, has recreated their Age-Friendly Standards self-assessment checklist with some modifications to make it more bespoke to the museum sector and additional functionality to enable your organisation to complete and save the checklist digitally. Carried out as a legacy of MDNW’s Age Friendly Accessibility Programme 2018-19, it has been developed to compliment the MDNW Age Friendly Museums publication, which includes case studies from six museums that participated in the Programme.” (p.4)</p>
