targets relating to the adoption of sustainable practices (SDG 12.6) and reducing the production of waste (SDG 12.5). Ensuring policies contribute to sustainable development supports SDG 17.14 (policy coherence for sustainable development). Retraining staff to use gloves when needed could support SDG 4.4 (staff skills).

35. SDGs and SDG targets the resource helps advance

SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship

Number of young people and adults in skills-development activities and programmes drawing on collections, for employment, decent jobs and entrepreneurship

Increase in number of young people and adults in such programmes

Number and proportion of staff who have received training in the last year, to better support their contribution to the SDGs.

Programs and processes in place to ensure the availability of a skilled workforce.

SDG 11. Make cities and human settlements inclusive, safe, resilient and sustainable

11.4 Strengthen efforts to protect and safeguard the world's cultural and natural heritage

11.4.1 Total expenditure (public and private) per capita spent on the preservation, protection and conservation of all cultural and natural heritage, by type of heritage

Plans, policies and procedures in place for the safe use of collections for a variety of purposes, protecting and safeguarding both collections and those who use them.

Plans, policies and procedures in place for the identification, safeguarding and protection of cultural and natural heritage at risk.

Collecting programmes in place to protect, safeguard and make use of cultural and natural heritage, addressing the needs of communities and stakeholders, and ensuring that collections can be an effective resource for sustainable development.

Number and diversity of educational, awareness-raising, research programmes, and partnerships that aim to strengthen protection of cultural and natural heritage.
