linkages	effective library services, including 4.4 (staff skills), 9.1
C	(sustainable infrastructure), 10.2 (universal inclusion), 11.7
	(access to safe and welcoming green and public spaces),
	16.6 (effective, accountable, transparent institutions),
	17.17 (cross-sector partnerships respectively) and 17.19
	(non-economic measures of sustainable development).
	Individual case studies relate to additional SDG targets.
35. SDGs and SDG targets th	e resource helps advance
SDG 4. Ensure inclusive and	
equitable quality education	Number of young people and adults in skills-development
and promote lifelong learning	activities and programmes drawing on collections, for
opportunities for all	employment, decent jobs and entrepreneurship
4.4 By 2030, substantially	
increase the number of youth	Increase in number of young people and adults in such
and adults who have relevant	programmes

skills, including technical and
vocational skills, for
employment, decent jobs and
entrepreneurship
SDG 9. Build resilient
infrastructure, promote
inclusive and sustainable

Number and proportion of staff who have received training in the last year, to better support their contribution to the SDGs.

Programs and processes in place to ensure the availability of a skilled workforce.

industrialization and foster innovation

Development of research-useful collections to support reliable, sustainable and resilient use by researchers and others.

9.1 Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all

Number and proportion of collections facilities and stores that support economic development and human wellbeing.

Number and proportion of collections facilities and stores that provide affordable and equitable access for all.

Investment in collections facilities.

Inclusion of collections information in regional and transborder initiatives, notably via digital access for discoverability.

SDG 10. Reduce inequality within and between countries 10.2 By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or

other status

Collections development to ensure that collections effectively meet the needs of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status.

Number and proportion of educational and participatory programmes that promote participation irrespective of social or other status.

Numbers and proportions of people making use of collections in relation to the demographic of the local population.

Numbers and proportions of people involved in focused programmes aimed at promoting social, economic and political inclusion.

Numbers and proportions of people from different demographic groups involved in decision-making processes relating to collections and collections-based institutions.

sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels. 16.6 Develop effective, sers] satisfied with their last experience of public services Access to information, and accountability policies and mechanisms, in place. Effective institutional arrangements, both for own working		
human settlements inclusive, safe, resilient and sustainable 11.7 By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities SDG 16.
