AIMS AND CONTENT	
20. What issues does the resource aim to address?	<p>“Climate and environmental literacy, coupled with strong civic education, will create jobs, build a green consumer market and allow citizens to engage with their governments in a meaningful way to address the climate crisis...</p> <p>Fifty years ago, the first Earth Day started an environmental revolution. Now, we are igniting an education revolution to save the planet. EARTHDAY.ORG passionately envisions a world where every student, no matter their location, is embraced by a rich education weaving together climate and environmental understanding, coupled with a strong civic engagement component.</p> <p>Promoting robust climate and environmental education is essential as global challenges intensify. Such education empowers informed decision-making, active civic engagement, and urgency in addressing pressing issues. By shaping policy, encouraging sustainable lifestyles, and cultivating stewards, advocates play a vital role in building a sustainable and resilient future.”</p>
