#### 34. Comments on SDG linkages

The resource can help support action for SDG targets relating to the preservation, promotion and development of culture and access to culture, including 1.4 (access to basic services), 4.5 (remove barriers in education), 4.7 (Education for Sustainable Development), 5.1 (end gender-based discrimination), 5.C (policies for gender equality and diversity), 8.9 (sustainable tourism), 9.1 (sustainable infrastructure), 10.2 (universal inclusion), 10.3 (end discriminatory practices), 11.4 (strengthen efforts to protect and safeguard heritage), 11.7 (safe and welcoming green and public spaces), 11.B (integrated policies for inclusion), 16.6 (effective, accountable and transparent institutions), 16.7 (participatory decision making), 16.10 (protect freedom of information and other human rights), 16.B (promote laws and policies for sustainable development), 17.14 (policy coherence for sustainable development), 17.16 and 17.17 (global and more local partnerships).

#### 35. SDGs and SDG targets the resource helps advance

#### SDG 1: End poverty in all its forms everywhere

1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance

Numbers and proportions of people from particular groups using collections in comparison with demographics in broader society.

Numbers of people accessing collections.

Number of targeted programmes that aim to enhance access to collections by disadvantaged groups.

Sustainable tourism that enhances local communities' access to basic services, ownership and control over land and other forms of property (including cultural and natural heritage), as well as to technology and markets.

Involvement of people from disadvantaged groups in decision-making activities and processes relating to collections and collections-based institutions.

# SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.5 By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational

Number of educational and/or training programmes drawing on collections directed to eliminate gender disparities in education.

Number of educational and/or training programmes drawing on collections directed to meet the particular needs of persons with disabilities.

training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations

Number of educational and/or training programmes drawing on collections directed to meet the particular needs of Indigenous peoples' groups.

Number of educational and/or training programmes drawing on collections directed to meet the particular needs of children in vulnerable situations.

# SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

4.7 By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development

Numbers of people in each type of programme drawing on collections from different demographic groups.

Increases in numbers of people in each type of programme from different demographic groups.

Proportion of people involved in such programmes in relation to overall audience size.

Evidence that learners have acquired knowledge and skills to promote sustainable development.

# SDG 5. Achieve gender equality and empower all women and girls

5.1 End all forms of discrimination against all women and girls everywhere

Collections development to ensure that collections effectively meet the needs of all, irrespective of sex or gender.

Number and proportion of educational and participatory programmes that promote participation irrespective of sex or gender.

Numbers and proportions of girls, women and genderdiverse people making use of collections in relation to the demographic of the local population.

Numbers and proportions of girls, women and genderdiverse people involved in focused programmes aimed at promoting social, economic and political inclusion.

Numbers and proportions of girls, women and genderdiverse people from different demographic groups involved in decision-making processes relating to collections and collections-based institutions.

SDG 5. Achieve gender equality and empower all women and girls 5.C Adopt and strengthen sound policies and enforceable legislation for the promotion of gender equality and the empowerment of all women and	Number and types of partnerships that build relationships with people of different sex and gender. access for all	Investment in collections facilities.
	Inclusion of collections information in regional and transborder initiatives, notably via digital access for discoverability.
SDG 10. Reduce inequality within	Collections development to ensure that collections
and between countries	effectively meet the needs of all, irrespective of age,

10.2 By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status

sex, disability, race, ethnicity, origin, religion or economic or other status.

Number and proportion of educational and participatory programmes that promote participation irrespective of social or other status.

Numbers and proportions of people making use of collections in relation to the demographic of the local population.

Numbers and proportions of people involved in focused programmes aimed at promoting social, economic and political inclusion.

Numbers and proportions of people from different demographic groups involved in decision-making processes relating to collections and collections-based institutions.

Number and types of partnerships that build relationships with marginalized groups, individuals and communities.

# SDG 11. Make cities and human settlements inclusive, safe, resilient and sustainable

11.4 Strengthen efforts to protect and safeguard the world's cultural and natural heritage

# 11.4.1 Total expenditure (public and private) per capita spent on the preservation, protection and conservation of all cultural and natural heritage, by type of heritage

Plans, policies and procedures in place for the safe use of collections for a variety of purposes, protecting and safeguarding both collections and those who use them.

Plans, policies and procedures in place for the identification, safeguarding and protection of cultural and natural heritage at risk.

Collecting programmes in place to protect, safeguard and make use of cultural and natural heritage, addressing the needs of communities and stakeholders, and ensuring that collections can be an effective resource for sustainable development.

Number and diversity of educational, awareness-raising, research programmes, and partnerships that aim to strengthen protection of cultural and natural heritage.

# SDG 11. Make cities and human settlements inclusive, safe, resilient and sustainable

11.7 By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities

Numbers of people accessing collecting institutions from different demographic groups, notably women, children, older people and persons with disabilities.

Increases in numbers of people accessing collecting institutions from different demographic groups.

Measures taken to remove barriers to access green and public spaces.

Extent of green space provided by collections institutions.

### SDG 11. Make cities and human settlements inclusive, safe, resilient and sustainable

11.B By 2020, substantially increase the number of cities and human settlements adopting and implementing integrated policies and plans towards inclusion, resource efficiency, mitigation and adaptation to climate change, resilience to disasters, and develop and implement, in line with the Sendai Framework for Disaster Risk Reduction 2015-2030, holistic disaster risk management at all levels

#### 11.B.1 Proportion of local governments that adopt and implement local disaster risk reduction strategies in line with the Sendai Framework for Disaster Risk Reduction 2015-2030a

Disaster Risk Reduction strategies and plans in place, in line with the Sendai Framework for Disaster Risk Reduction, to ensure collecting institutions and collections are factored into planning, and contribute effectively to Disaster Risk Reduction.

Collections-based institutions included in local plans for social inclusion, resource use, and Disaster Risk Reduction.

# SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels. 16.6 Develop effective,

accountable and transparent

institutions at all levels

# 16.6.2 Proportion of the population [audience/users/non-users] satisfied with their last experience of public services

Access to information, and accountability policies and mechanisms, in place.

Effective institutional arrangements, both for own working and for working in partnership with other sectors, in place.

Plans and arrangements in place for extraordinary circumstances such as natural and human-caused disasters.

Effective arrangements in place to fulfil legal and social obligations and responsibilities.

Effective arrangements in place for transparent communication and reporting of institutional performance.

Effective arrangements in place for transparent decision-making and accountability.

SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

16.7 Ensure responsive, inclusive, participatory and representative decision-making at all levels

16.7.1 Proportions of positions (by sex, age, persons with disabilities and population groups) in public institutions (national and local legislatures, public service, and judiciary) compared to national distributions

16.7.2 Proportion of population [audience/users/non-users] who believe decision-making is inclusive and responsive, by sex, age, disability and population group

Decision-making addresses societal, environmental and economic challenges related to the community, considering short-term and long-term risks and opportunities.

Decision-making draws on diverse backgrounds, viewpoints and interests, reflecting a broad base of stakeholders, and working to promote inclusion and provide effective services for all of society.

SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

16.10 Ensure public access to information and protect fundamental freedoms, in accordance with national legislation and international agreements

Adopt and implement constitutional, statutory and/or policy guarantees for public access to information.

Plans in place, and plans implemented to enhance public access to information relating to collections.

Plans in place, and plans implemented to support fundamental freedoms, in line with human rights, national and international agreements and legislation.

Plans and procedures in place for public access to information relating to the operation and management of collections-based institutions.

Complaint mechanism in place for public to use where public access to information and fundamental freedoms not supported or fulfilled.

SDG 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

16.B Promote and enforce nondiscriminatory laws and policies for sustainable development 16.B.1 Proportion of population [audience/users/nonusers] reporting having personally felt discriminated against or harassed in the previous 12 months on the basis of a ground of discrimination prohibited under international human rights law

Number and proportion of policies that incorporate sustainable development considerations, in the full sense of recognizing all three of social, economic and environmental considerations.

#### SDG 17. Partnerships for the goals

17.14 Enhance policy coherence for sustainable development

Proportion of policies that incorporate sustainable development considerations, linking to SDGs and targets.

Incorporation of policy considerations from outside the collections sector into policies of collections-based institutions, to facilitate partnerships and effectiveness.

#### SDG 17. Partnerships for the goals

17.16 Enhance the global partnership for sustainable development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in particular developing countries

Number and/or increase in number, and diversity of global and international multi-stakeholder partnerships that share collection-related knowledge, expertise, technology and financial resources to address the SDGs, or that otherwise involve collections-based organisations and institutions.

Number and/or increase in number, and diversity of global and international multi-stakeholder partnerships involving developing countries that share collection-related knowledge, expertise, technology and financial resources to address the SDGs.

#### SDG 17. Partnerships for the goals

17.17 Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships

#### 17.17.1 Amount of United States dollars committed to public-private and civil society partnerships

Number and/or increase in number, and diversity of local, national and regional multi-stakeholder (public, public-private and civil society) partnerships that address the SDGs drawing on collections, or that otherwise involve collections-based organisations and institutions.
