35. SDGs and SDG targets the resource helps advance

SDG 1: End poverty in all its forms everywhere

1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day

Number of educational programmes that explore poverty as a multidimensional and complex issue, and that empower people to act to address extreme poverty.

Number of educational programmes that are targeted towards people living in extreme poverty.

Proactive steps taken to ensure that all people, including those living in extreme poverty, can access services.

Promotion of poverty-reducing programmes, locally and worldwide, focussed on those in extreme poverty.

Proactive support for economically disadvantaged and marginalized people in supply chains.

Pro-poor decisions incorporated into all forms of operations, including financial decisions.

Transparency in reporting on the supply chain, incorporating actions to address extreme poverty locally and worldwide.

SDG 1: End poverty in all its forms everywhere

1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty Number of programmes drawing on collections (educational, awareness-raising, research, partnerships) that explore poverty as a multidimensional and complex

in all its dimensions according to national definitions

issue, and that empower people to act to address poverty in all its forms.

Number of educational programmes that are targeted towards people living in poverty.

Proactive steps taken to ensure that all people, including those living in poverty, can access services.

Collections development to support such programmes.

Promotion of poverty-reducing programmes, locally and worldwide.

Proactive support for economically disadvantaged and marginalized people in supply chains.

Pro-poor decisions incorporated into all forms of operations, including financial decisions.

Transparency in reporting on the supply chain, incorporating actions to address poverty locally and worldwide.

SDG 1: End poverty in all its forms everywhere

1.3 Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable

Number of programmes drawing on collections (educational, awareness-raising, research, partnerships) that aim to empower people to make use of social protection systems, and that raise awareness of issues faced by people requiring social protection.

Number of educational programmes that are targeted towards people requiring social protection systems.

Proactive steps taken to ensure that all people, including those requiring various forms of social protection, can access services.

Collections development to support such programmes.

Promotion of social protection programmes, locally and worldwide.

Proactive support for people in social protection systems in supply chains.

Pro-poor decisions incorporated into all forms of operations, including financial decisions.

Transparency in reporting on the supply chain, incorporating actions to address poverty locally and worldwide.

SDG 1: End poverty in all its forms everywhere

1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance

Numbers and proportions of people from particular groups using collections in comparison with demographics in broader society.

Numbers of people accessing collections.

Number of targeted programmes that aim to enhance access to collections by disadvantaged groups.

Sustainable tourism that enhances local communities' access to basic services, ownership and control over land and other forms of property (including cultural and natural heritage), as well as to technology and markets.

Involvement of people from disadvantaged groups in decision-making activities and processes relating to collections and collections-based institutions.

SDG 1: End poverty in all its forms everywhere

1.5 By 2030, build resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters.

Number of collecting programmes that aim to build resilience to climate-related events and other shocks and disasters, for example by forming collections that can contribute to related educational and research programmes.

Number of educational programmes drawing on collections that incorporate resilience perspectives.

Number of targeted programmes drawing on collections that are aimed at vulnerable groups, to build their resilience to climate-related and other shocks and disasters.

Number of research programmes drawing on collections that are aimed at building resilience to climate-related and other shocks and disasters.

Strengthen the resilience of employees, communities and suppliers by paying at a minimum the living wage and offering insurance to employees and their families, such as

	accident insurance; and by paying fair prices to all suppliers
SDG 1: End poverty in all its forms everywhere 1.B Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender-sensitive development strategies, to support accelerated investment in poverty eradication actions	Number of policies and policy frameworks that support targeted, accelerated investment to eradicate poverty.
SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all 4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship	Number of young people and adults in skills-development activities and programmes drawing on collections, for employment, decent jobs and entrepreneurship Increase in number of young people and adults in such programmes Number and proportion of staff who have received training in the last year, to better support their contribution to the SDGs. Programs and processes in place to ensure the availability of a skilled workforce.
